

Butterfield recognised as Tier 1 trust company

May 27 2021

27 May 2021 – Butterfield, a leading offshore bank and trust company, has been named as a Tier 1 trust company in the 2021 eprivateclient Top Trust Companies list.

The annual rankings reviews the best independent and non-independent trust companies, providing international private clients and their advisors with a detailed analysis of the leading fiduciary service providers.

With over 100 companies surveyed, the resulting list is determined using a number of factors including total fee income, the number of client-facing directors as well as overall company size, and quality of service.

Jane Pearce, Butterfield’s Group Head of Trust who was recently listed in the eprivateclient 2021 Most Influential practitioners, said: “We are incredibly proud to be named one of the leading offshore trust companies. Despite the challenges presented this year, the team continued to deliver exceptional service, supporting the needs of our clients around the world, and today’s recognition is testament to that. People are at the heart of what we do and, as we invest in future opportunities for the business, client relationships remain our priority.”
