St. Peter Port, Guernsey and St. Helier, Jersey—9 September 2026: Butterfield has awarded its annual scholarships to three promising students including a talented student from Guernsey, Charlotte Dorey, who will receive US$30,000 for the upcoming academic year. The scholarships can be maintained for up to four academic years.

Charlotte has been awarded the **Butterfield Channel Islands Undergraduate Scholarship**, which is available to an outstanding student who is pursuing an undergraduate degree. The scholarship funds will go towards her studies in Management at ESCP Business School in Paris.

Through her studies, Charlotte is expanding her knowledge of core business fundamentals such as accounting and microeconomics, accompanied by further insight into rhetoric, business law and international relations. Butterfield continues to invest in education and provide opportunities for our young people with a view to empowering the next generation to achieve their career ambitions."
