Kiefer Rendall has joined as the lender's new Client Relationship Officer, while Ruby Bastick is a new Front of House Intern.

Rendall began his career in financial services at HSBC in 2017, starting as a temporary agent for the small business banking team in Leicester. In 2018, he became a permanent member of staff as a Business Banking Risk Analyst, where he was responsible for mitigating financial crime risk, processing applications, and fulfilling due diligence requirements.

In his new role, he will be supporting the Front Office with client administration and onboarding processes.

Ruby Bastick joins as Front of House Intern as part of Butterfield Mortgages' apprenticeship scheme with Simply Academy. She will be working towards her Certificate in Mortgage Advice and Practice (CeMAP) qualification while supporting the business in providing an exceptional client service and support to colleagues.

Speaking on the appointments, Alpa Bhakta (CEO of Butterfield Mortgages Limited), said: "I'm really pleased to welcome Kiefer and Ruby to the Butterfield Mortgages team. We're passionate about creating environments that help people develop a career in financial services, and we look forward to seeing her grow in the coming months."

Commenting on his appointment, Rendall said: "Butterfield Mortgages has a reputation for delivering an exceptional client experience, and I'm looking forward to using my experience in risk analysis and client onboarding to build on this reputation in the future."

Bastick added: "This is a fantastic opportunity for me to gain hands-on experience in financial services, while also working towards my CeMAP qualification. I'm excited to learn from the team and ensure that our clients receive an excellent service."
