#### Bank of England ANNUAL PERCENTAGE RATE OF CHARGE REPRESENTATIVE ("APRCA")

This APRC representative example is for information only and does not constitute a Mortgage Information Sheet. Mortgage Rates are subject to change and withdrawal at short notice. Unless specified, Mortgage Rates are generally available for loans of £100,000 up to £1million Loans over £1million are priced on a case-by-case basis. The Bank of England Base Rate means the Bank of England Official Bank Rate (or the equivalent rate set by any central bank or monetary authority which replaces the Bank of England).

#### APRC REPRESENTATIVE EXAMPLE:

A mortgage of £500,000 payable over 30 years on a variable tracker rate of 0.70% above the Bank of England Base Rate for 2 years and then our variable tracker rate of 3.00% above the Bank of England Base Rate for the remaining term would require 24 monthly payments of £2,981.70 followed by 336 monthly payments of £3,722.07. The total amount payable would be £1,324,415.32 made up of the loan amount plus interest and legal and valuation costs. The overall cost for comparison is 8.1% APRC representative. This representative example shows the costs of a typical mortgage in the Guernsey and Jersey.
