Coverage is provided to the Cardholder, spouse and unmarried dependent children under age 18—or up to age 25 if attending school as a full-time student—including stepchildren or legally adopted children.

Spouses and dependent children do not need to be travelling with the Cardholder to be considered Insured Persons. ### **MASTERCOVERAGE™**

**Where services are provided by organisations other than Butterfield, the Bank shall have no responsibility or liability for them, or for their mention in this document, or for their continuance.**

## Account features and your use of the Account

### 1. Business Use

Charging privileges on the Card and Account are provided by the Bank pursuant to a contract with your Company and are subject to the Agreement. The Card and Account are to be used only by you for the purpose of charging purchases of goods and services primarily for or incidental to the business of your Company. Charge activity, Account status, and any Account delinquency information will be provided to your Company monthly. At your Company's discretion, you may be able to use the Card to obtain an advance (as defined below) from a participating financial institution or Automated Teller Machine (ATM). Charging privileges may be automatically withdrawn upon termination of your employment or affiliation space with your Company, or upon termination of the contract between the Issuer and your Company.

### 2. Your Acceptance of the Agreement

By accepting, signing, or using this Card or Account, or by continued use of an existing Card or Account, you are agreeing to the terms of this Agreement.

### 3. Purchases

You may use the Account to buy, lease or otherwise obtain goods or services from participating merchants (including transactions you initiate by mail, telephone or over the Internet), ("Purchases"). Even if you have not signed a sales draft or the merchant has not supplied you with a written receipt or other proof of sale, you are responsible for all purchases made through the Account, except as expressly limited by applicable law.

## Using the Card – Business

Charging Privileges on the Card and Account are provided by Butterfield pursuant to a contract with your Company and are subject to this Agreement. The Card(s) is to be used only by you and designated Cardholders for the purpose of charging purchases of goods and services primarily for or incidental to the business of your Company. You can use your Card wherever it is accepted, to buy goods or services ("purchases") and for other purposes the Bank may authorise from time to time. If allowed, you can obtain cash advances from any financial institution that accepts the Card. By using the Card, together with the Personal Identification Number ("PIN") you have chosen, you can also obtain cash advances at any ATM displaying the MasterCard® or Cirrus logos. When you receive your Card you must sign it immediately and take every reasonable precaution to keep it safe. We will not be liable if a merchant, a business or an ATM does not accept your Card for any reason. You may only use the Card for legal and genuine transactions. You will give the Bank such financial statements and information as the Bank may request from time to time, to keep your file up to date. The use of this Card will always be subject to any statutory restrictions and/or regulations that the Cayman Islands Monetary Authority imposes or any other regulatory authority may impose. You acknowledge and accept that any transaction that the Bank considers to be in breach of any such statutory restrictions, regulations or procedures may be declined.

## 2. OUR AUTHORITY TO PAY

You authorise us to make immediate payment for your Account(s) of all sums of money reflecting purchases and advances made or obtained through use of the Card(s).

## 3. MONTHLY STATEMENTS

At your option, we will send you a central bill at the end of each billing period setting out the payment(s) due us and other information on all of the Accounts. If you do not request a central bill, each Authorised Cardholder will receive a monthly statement for the Account assigned by you to that individual. In either event, you will examine each billing statement immediately upon receipt and report any inaccuracies to us in writing within 30 days of the billing date.

### Dealing with transactions in a foreign currency

The amount of any purchase(s) or cash advance(s), in any currency other than US dollars (USD), will be billed in US dollars (USD). Conversion from any other foreign currency to USD will be made by the Bank at a rate of exchange determined by the Bank on the date notification of your purchase or cash advance is received and the relevant amount is charged to your Account. The currency conversion rate used on the processing date may differ from the rate in effect on the transaction date or posting date. Transactions made outside of the Cayman Islands may also be assessed a cross border fee by MasterCard®, regardless of the currency of the transaction.

### Automated Teller Machines (ATMs)

If you are authorised by the Company to obtain cash advances using your MasterCard®, the amount you can withdraw each day as a cash advance from an ATM, and the available ATM

services, may vary from time to time. We are not liable for any loss or damages you may suffer because of your use of an ATM or because of any failure to provide ATM services. We are not responsible for informing you of any mechanical failures of an ATM or for telling you when these services are changed or withdrawn. Furthermore, we shall not be liable for any accident, act of aggression, theft, loss or damage you may suffer while using an ATM or any automated banking services, whether you are on Bank premises or other premises. We may restrict the amount of the credit limit that is available for advances. If an advance is requested that has a limit greater than the percentage available, it may be declined. You may be limited in the amount and/or number of advances you may make on your Account.

### Keeping your Personal Identification Number (PIN) confidential

You agree to keep your PIN separate from your Card at all times. If you do not keep your PIN confidential, or if you keep your Card and your PIN in a way that would compromise the security of your Card, you will be liable for all debt, including interest and charges arising from their unauthorised use.

### Observing the expiry date of your Card

You agree not to use the Card after its expiry date. If it is used, you agree to pay any debts incurred.

### Not exceeding your credit limit

Your credit limit will be advised to you when you receive notice that your Card application has been approved and will be noted on your monthly statement. We can increase or reduce your credit limit without telling you in advance. You agree that your debt will not exceed the credit limit that is communicated to you from time to time. You are responsible for all penalty fees associated with your Account exceeding the credit limit. A fee will be charged for the transaction that takes you over-limit and each transaction thereafter. You are responsible to pay any over-limit amounts in full by your payment due date.

### Telling us about loss, theft or unauthorised use

You will inform us immediately by telephone and in writing about the loss, theft or suspicion of unauthorised use of your Card and/or PIN. Until further notice, such information shall be supplied to the Bank by telephone anytime in the Cayman Islands at (345) 815 7527, or at any time (toll free) from within the US and Canada at 1 866 563 1339, or at any time by calling from outside US and Canada at 1 781 756 8169 and in writing to Butterfield Bank (Cayman) Limited, P.O. Box 705, Grand Cayman, KY1-1107, Cayman Islands. If your Card is lost or stolen, or you suspect its unauthorised use, you will be liable for all debts resulting from its use, until you have told us that it has been lost or stolen. If you have previously authorised someone to use your Card, and have subsequently withdrawn your authorisation, you will continue to be liable for all debts incurred by its use until it has been surrendered to the Bank.

### Accepting our records

You agree to accept our records of a transaction as accurate unless you can provide contrary evidence that is satisfactory to the Bank.

### Charging interest on purchases, cash advances and other charges

The interest charge on your monthly statement is calculated separately for purchases and cash advances. We will not charge you any interest on purchases and other charges if we receive your payment for the full balance on the statement on which the purchases and other charges first appear by the payment due date printed on your statement. If we do not receive your full payment by the due date, we will charge interest at our then current annual rate on each purchase and other charges from the posting date of the transaction to the date it is repaid in full. Monthly-calculated interest may be subject to a minimum charge. All Payments made before the cut-off time advised to you when you make the payment will be processed at midnight on the same day. Payments made after the cut-off time will be processed the following business day.

If your payment is made by cheque or other instruction, drawn on a bank outside the Cayman Islands, your Account will not be credited until we receive settlement from the relevant bank, which takes a minimum of ten working days.

For the purpose of the Credit Limit only, payments by cheques drawn on a Cayman Islands bank other than Butterfield requires a maximum of five business days to be posted toward your total indebtedness.

### Delinquency interest rates

If your payment is late we may, at our discretion, charge you a higher interest rate until such time as your Account has been maintained in good standing for a period of time that we deem appropriate. The delinquency rate will take effect and apply to new and outstanding purchases and advances. In addition, any introductory or promotional rate will be changed to a delinquency rate upon the occurrence of an Adjustment Event. An Adjustment Event occurs whenever a minimum payment is sixty (60) calendar days past due; the rate will continue for a period of six months after the account is regularised.

The delinquency rate is determined by adding a margin to the published Index as described above.

### Charging interest on cash advances

In this section, reference to "Daily Balance" and "Average Daily Balance" (ADB) relates to balances on cash advances. "Statement Cycle" refers to the number of days between one statement date and the next statement date. If you use the Card to obtain a cash advance, we will charge you interest on each transaction from the date the transaction is posted to the date it is repaid in full. Interest is calculated on your cash advances daily and posted to your Account monthly on the date your statement is produced. Interest is calculated using the daily revolving variable method. The Daily Balance is calculated by taking the beginning balance of cash advances, adding any new cash advances and debit adjustments related to cash advances made during the current billing cycle, and subtracting any payments or credit adjustments applied to cash advances. The ADB is calculated by dividing the total of all Daily Balances in the current Statement Cycle by the number of days in the current Statement Cycle. The resulting ADB amount is multiplied by the annual interest rate, then divided by 365, then multiplied by the number of days in the current Statement Cycle to give this month's interest charge.

### Charging interest on retail purchases and other charges

In this section reference to "Daily Balance" and "Average Daily Balance" (ADB) relates to balances on purchases and other charges. "Statement Cycle" refers to the number of days between one statement date and the next statement date.

Interest is calculated on your purchases and other charges daily and posted to your Account monthly on the date your statement is produced. Interest on purchases and other charges for the current billing cycle is calculated using the daily revolving variable method. The Daily Balance is calculated by taking the beginning balance of purchases and other charges on your Account, adding any new purchases, debit adjustments for purchases and other charges as of the date the transaction was posted, and subtracting any payments or credit adjustments applied to purchases and other charges. The ADB is calculated by dividing the total of all Daily Balances in the current Statement Cycle by the number of days in the current Statement Cycle. The resulting ADB amount is multiplied by the annual interest rate, then divided by 365, then multiplied by the number of days in the current Statement Cycle to give this month's interest charge. If last month's balance was paid in full, new purchases on the current statement are excluded from the current ADB, but will be included in next month's interest calculation if the current statement balance is not paid in full by the payment due date.

#### **Card fee and renewal of Cards**

You will be charged an initial fee upon the issuance of each Card and thereafter an annual fee for continued use of each Card. We will issue renewal or replacement Cards before current Cards expire and will continue in this manner until you instruct us in writing to the contrary.

#### **Telling us about inaccuracies in your statement**

If your statement contains any inaccuracies, you must tell us within 30 days of the date of the statement. If you do not receive your statement within 30 days of the date of the statement, you must inform us promptly in writing of such non-receipt. Unless we have received a notice of non-receipt at the expiration of the 30 days, except as to any inaccuracies that have been notified to the Bank, it shall be settled conclusively between the Bank and you that the statement contains no inaccuracies.

#### **Applying a credit voucher**

If a merchant or business issues a credit voucher, we will reduce your debt by the amount of the voucher when we receive it.

#### **Settling disputes**

If a dispute arises about a transaction for which you used your Card, you must settle it directly with the merchant or business concerned. You agree to indemnify the Bank in respect of all claims arising from any such dispute with or by the merchant or any third party.

#### **Changing your address**

You will advise us in writing if you change your Business address or telephone number and you will provide us with any other information that we may need from time to time to keep our records up to date.

#### **Repaying the amounts you owe**

When you use the Card or allow others to use it, you incur a debt. Interest, service charges and annual fees that we charge you under this Agreement will be added by us to your debt and will form part of your debt. You agree to repay the debt to the Bank.

#### **Making a minimum monthly payment**

If you do not repay your debt in full by the due date stipulated on your statement, you agree to make at least a minimum monthly payment. The minimum monthly payment will be a percentage of the balance of your monthly statement, subject to a minimum amount, any over-limit amount, plus any past due amount. When we grant you your Card, we will give you a schedule of rates informing you of the minimum monthly payment. Note: if you do not make the minimum payment you will be subject to a monthly late payment service charge. Payments can be made at any Banking Centre, or through any alternative payment channel offered by the Bank from time to time in the country in which the Card was issued, including the Bank's Butterfield Online Internet Banking.

#### **Making payments when mail service is disrupted**

Even when normal mail service is disrupted, you must continue to make payments. If appropriate, we will tell you where to do so, and where to pick up your statement, by advertising on radio or television or in the newspapers. Your statement will be deemed to have been delivered to you on the day it is available for you to pick up, whether or not you do so.

#### **Applying your payments**

We apply your payments first to any unpaid interest charges, then to any billed service charges, and then to any previously billed cash advances. Next, we apply them to any billed purchases on which interest is payable and then to billed purchases on which interest is not payable. Next, we apply the payment to unbilled cash advances and then to any unbilled purchases.

#### **Requiring you to pay your total debt**

You or your estate will become liable to pay your total debt immediately, without any notice or demand from us, if you do not carry out your obligations under this Agreement; if you become bankrupt or insolvent, or die, or upon legal attachment, levy or execution against you, your estate or your property; or if any Card or PIN is used contrary to this Agreement. You authorise us to charge any of your Accounts with us or any of our subsidiaries for any amounts due under this Agreement, notwithstanding that all or part of the monies held to your credit may have been deposited for a fixed period which may not have expired, or be in a different currency.

#### **Payment of costs and expenses**

Should it be necessary for the Bank to enforce its rights hereunder in any legal action you will reimburse the Bank for all costs and expenses including reasonable attorney's fees incurred as a result of such legal action.

#### **The AAdvantage® Programme**

You will receive 1 (one) AAdvantage mile for every one US dollar (US\$1.00) of billed purchases made on your Account. If you receive a credit on your Account for a purchase that earned AAdvantage miles, the miles will be withdrawn for that credit. If the deduction would result in a negative balance of AAdvantage miles then no miles will be applied to your Account until you have incurred sufficient transactions to earn the number of AAdvantage miles equal to the negative balance.

The AAdvantage miles earned on your Card will appear on your AAdvantage statement and will show AAdvantage miles awarded in the period ending with the statement date. The Bank may change the rate at which AAdvantage miles are awarded at any time upon giving you not less than 30 days' notice. The Bank will not be responsible for any delay caused by AAdvantage. You should contact AAdvantage to confirm the actual number of AAdvantage miles available at any time for redemption. The Bank will not be responsible for any failure of AAdvantage to comply with the AAdvantage Programme Terms & Conditions.

You are entitled to earn AAdvantage miles for as long as you comply with the Terms of this Agreement. You authorise us to report to AAdvantage the miles you have earned on your Account. You also authorise us to share with AAdvantage experiential and transactional information regarding you and your Account. While the AAdvantage Programme is available through the Bank, purchases less credits will qualify for AAdvantage miles. No AAdvantage miles will be awarded for cash advances, service charges, interest, costs and other transactions not for the purchase of goods or services. The Bank may refuse to award AAdvantage miles to you for any reasonable reason. You will not receive AAdvantage miles if you fail to make payment when due or if you fail to comply with the Terms of this Agreement. Once AAdvantage miles are transferred to your AAdvantage Account, you will be entitled to redeem them with the AAdvantage Programme.

American Airlines AAdvantage miles earned on employee business Card Accounts will be allocated to the AAdvantage Account of the individual who is responsible for the underlying Butterfield / AAdvantage Business MasterCard Credit Card Account.

For complete details on the AAdvantage Programme, call (345) 815 7527 or visit [www.aa.com](http://www.aa.com).

#### **Third-party offers**

From time to time, third parties may provide you with benefits not related to the extension of Account credit. We are not liable for these features, services and enhancements, as they are the sole responsibility of the third-party provider. The Issuer and/or a third party may add, change or delete entirely these benefits without notice or liability to you, to the extent permitted by applicable law. You agree to hold us harmless from any claims, actions, or damages resulting from your use of any of these features, services or enhancements, when permitting by applicable law.

#### **Other Cardholder services and products**

You understand that optional services may be available to you at an additional cost. Further, you understand that all services available with the Card may be governed by separate agreements or authorisations by which you agree to be bound. You also understand that some of these services are supplied by firms independent of the Bank and that the Bank shall not have any responsibility or liability with respect to such services. To the extent that any other Cardholder services and products may be provided by us, any such services and products shall be subject to modification or discontinuance by us, at any time, without notice. Telling you about interest rates, service charges, penalty fees and our annual fee when we give you your Card, we will also give you a notice telling you about current prevailing interest rates, service charges, penalty fees and our annual fee. The annual fee will appear on your first monthly statement and is not refundable. In subsequent years, annual fees are charged on the anniversary statement each year. We will mail to your mailing address details of any changes to any of these rates or amounts. Note: All rates are subject to change without prior notice.

#### **Cancelling this Agreement**

You can cancel this Agreement by informing us in writing that you want to do so and returning the Card(s) to us. We, too, can cancel the Agreement by informing you in writing. We can also cancel your Card. The Card is always our property and you are required to give it back to us, or someone acting on our behalf, when requested. If either of us cancels this Agreement, you still have to pay your debt and any other amounts you owe us in full.

#### **Unenforceability of certain parts of this Agreement**

If any part of this Agreement shall be held invalid, illegal or unenforceable, the validity, legality or enforceability of the remainder of this Agreement shall not in any way be affected or impaired.

#### **If we change this Agreement or the services we offer**

We can unilaterally change this Agreement or the services that are available with this Card without prior notice. We may assign this Agreement or our rights hereunder without notice to you.

#### **Business Information**

You agree to furnish us with annual financial statements and other business information from time to time (but at least once per calendar year) and you hereby consent to our furnishing information concerning you under this Agreement to third parties, including credit agencies and our affiliates. You further agree to give us not less than 30 days prior written notice of your intent to transfer, register a transfer of, or sell a substantial part (10%) or more of your total issued share capital or assets, or to change the basic nature of your business, or to liquidate or seek bankruptcy protection.

This Agreement is in conjunction with the application's Terms and Conditions.

#### **Disclosure of information**

We may disclose information about your Account:

- A. in response to credit enquiries from another financial institution;
- B. pursuant to legal process, regulation or subpoena;
- C. if disclosure is necessary to protect our interest;
- D. for the purpose of preventing fraud or crime; and
- E. so that services may be processed on our behalf.

By using the Card, you consent to and authorise any such disclosure.

#### **Exclusion of Liability**

You agree that we shall have no liability or responsibility whatsoever for any losses of any kind (financial or otherwise) which you might incur as a consequence of or in connection with (i) the provisions or termination of provision of any insurance coverage, or (ii) as a consequence of any changes that are made to this Agreement, or any variation, cancellation or termination of any services or benefits that are provided pursuant to this Agreement, or (iii) other services or products which may be provided to cardholders by third parties. You agree to indemnify, defend and hold us harmless for claim, cause of action or cost which we shall suffer by reason of your actions or omission arising from or in any way related thereto.
